GENERAL INFORMATION

NEW THIS YEAR!

- A great new venue! The Gaylord National in National Harbor, Maryland, just 20 minutes from Washington, D.C.
- New session formats to increase interaction between attendees and faculty.
- An additional reception on Sunday, December 8th.
- A discounted rate for fellows for the *Neonatal Quality at Hot Topics* pre-conference.

Site

The program will be held at the Gaylord National in National Harbor, MD, just 20 minutes from downtown Washington, D.C.. Standing on the shores of the Potomac River, this stunning waterfront hotel offers convenient access to many of the area's most beloved attractions, including the Capital Wheel and MGM National Harbor®, as well as all of the fabulous museums and restaurants that D.C. has to offer. The hotel's features include a 19-story glass atrium overlooking the river, full-service spa, seven distinct restaurants, fitness center, indoor pool and jogging trail along the Potomac. The hotel's signature attraction ICE! is a must see during the conference.

For more information, please visit www.HotTopics.org and click on the hotel tab.

Accommodations

Rooms have been reserved at the Gaylord National at a special conference rate of \$229 per night single or double occupancy, not including sales tax. Please make your reservations through the www.HotTopics.org website or by calling Passkey/Groupmax Reservations at 1-888-789-3090. Please ask to be assigned to the *Hot Topics in Neonatology*® room block in order to receive the special conference rate. The conference rate is only available for reservations made before Monday, November 11, 2019 and is based on availability.

The hotel often sells out well before the conference date. Please reserve your hotel room and make your conference registration early!

Accreditation

Nemours is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nemours designates this live activity for a maximum of 23.5 *AMA PRA Category 1 Credits™*. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Learning Objectives

The goal of *Neonatal Quality at Hot Topics* is to help neonatal clinicians improve the bedside care they provide to newborns and their families. It will open with a keynote address by a national leader exploring bridging the divide between research and quality improvement. Two expert panel discussions will focus on deeper dives into quality improvement methods and on how collaboration improves quality improvement. Afternoon breakout sessions will include workshops on practical approaches for improving the NICU parent experience; improvement opportunities in neonatal transfusion medicine; optimizing neurologic care for newborns, and the ins and outs of publishing your quality improvement projects.

The faculty at *Hot Topics in Neonatology*® will review current levels of evidence and practice in the areas of neonatology and perinatology. The program will include talks and discussion on the newest research on the diagnosis, prevention and treatment of health problems in the neonate, as well as long term follow-up for the NICU graduate. *Hot Topics* seeks to involve clinicians from around the globe in the debate around both existing and emerging therapies and neonatal science, with the goal of providing clinicians with implementable practice change.

Posters

Posters for both the Quality and Hot Topics conferences will be accepted for continuous display during the conference. Posters must be on a subject relating to the field of neonatology.

The presenters for abstracts which are selected for posters will be required to register for the conference. The conference will not provide an honorarium or reimburse travel, hotel, and/or related expenses.

The deadline for abstract submission is September 15, 2019.

Awards

Any clinician is welcome to submit an abstract for consideration, but fellows and nurses are eligible to submit for an award which would include complimentary *Neonatal Quality at Hot Topics/Hot Topics in Neonatology*® conference registration and hotel accommodations at the Gaylord National for up to four nights during the conference. Abstracts which are selected for a podium presentation must have the potential to be impactful on clinical care on a national and/or international level. More details at www.HotTopics.org.

Poster Sessions

Both the *Neonatal Quality at Hot Topics* conference and *Hot Topics in Neonatology*® will be hosting poster sessions. There will be a *Neonatal Quality at Hot Topics* poster session on Sunday, December 8, from 4:30 – 5 p.m. and a *Hot Topics in Neonatology*® poster session on Monday, December 9, from 5:45 – 7 p.m. We hope that you will plan to join us!

For more information on abstract requirements and submission, please see our website – www.HotTopics.org.

Syllabus

In the interest of running a greener meeting, all registrants will have access to an online syllabus, which can be viewed from a computer, smart phone, or tablet before or during the conference. There will be complimentary WiFi in the meeting rooms. Please download the Nemours CME app from your favorite app store for access to the syllabus and additional conference information.

PLEASE NOTE: We will not offer a print syllabus this year.

Americans with Disabilities Act

In accordance with the Americans with Disabilities Act, Nemours will provide modifications in teaching methodologies to accommodate individual needs. To request disability accommodations, contact the Office of Continuing Medical Education at least 15 days in advance of the program at (302) 651-6750.

COURSE REGISTRATION

Fees

The conference registration fee for the *Neonatal Quality at Hot Topics* pre-conference is \$50 for fellows and residents, \$100 for nurses and allied health, and \$200 for all other registrants.

The conference registration fee for *Hot Topics in Neonatology*® is \$525 for fellows, residents, nursing and allied health, and \$775 for all other registrants.

These fees include all course materials and refreshments as noted on the schedule. There is no additional charge for CME credit.

Registration Discounts Available

There is a discount of \$100 for clinicians who are a member of the Trainee and Early Career Neonatologist (TECaN) group of the AAP Section on Neonatal and Perinatal Medicine. The discount code will be shared directly with group members by TECaN. This discount can only be applied to the *Hot Topics in Neonatology*® conference. It cannot be applied to the *Neonatal Quality at Hot Topics* conference. It is only available to attendees who register online at www.HotTopics.org with the discount code.

Registration

Advance registration is required and should be received by November 8, 2019. All registrations received by this date will be confirmed via e-mail. Registration is limited and will be honored in the order of the date received.

To register with a check: Return the completed registration form with full payment using check (payable to Nemours) to the Continuing Medical Education Office, Nemours/Alfred I. duPont Hospital for Children, PO Box 269, Wilmington, Delaware 19899.

To register with a credit card: If you are paying by MasterCard, VISA, American Express or Discover Card, please complete the registration form found online at www.HotTopics.org.

Cancellation Policy

A refund, less a \$100 processing fee, will be given for WRITTEN cancellations received before November 8, 2019. No refunds will be given after this date. Nemours is not responsible for any cancellation or change fees assessed by hotels, airlines or travel agencies.

Disclosure Policy

As a provider accredited by the ACCME, Nemours must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty involved in the development of CME content are required to disclose to Nemours their relevant financial relationships. An individual has a relevant financial relationship if he/she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. Nemours has policies in place to resolve potential financial conflicts of interest. Relevant financial relationships will be disclosed to the activity audience.

For More Information

Contact Karen Bidus, 302-651-6752, or kbidus@nemours.org.

Commercial Support

This program may be supported in part by unrestricted educational grants in accordance with ACCME Standards. At the time of this printing, a list of commercial supporters was not available. Appropriate acknowledgement will be given to all exhibitors and supporters in conference materials and at the time of the meeting.
